

**“Sail against the pros not the chickens!”**

Since 1993 we provide you with the unique opportunity to start at all mayor regattas in the Caribbean Sea - as a corporate team or a private group.

**The Yacht Jeanneau One Design 35**

“Wild at Heart” is a racing pedigree, powerful and demanding with the low comfort of a light displacement boat but with a huge cockpit without sticks and stones and a full wardrobe of Kevlar sails and a choice of spinnakers.
