

“Sail against the pros not the chickens!”

Since 1993 we provide you with the unique opportunity to start at all mayor regattas in the Caribbean Sea - as a corporate team or a private group.

The Yacht Jeanneau One Design 35

“Wild at Heart” is a racing pedigree, powerful and demanding with the low comfort of a light displacement boat but with a huge cockpit without sticks and stones and a full wardrobe of Kevlar sails and a choice of spinnakers.

Angostura Tobago Sailweek 11.02. - 15.02.2009

Angostura really hosts a sweet regatta in Tobago. One thing Tobago Sail Week always has is breeze. The regatta provides races at varying levels of competitiveness from the Racing Class, at the extreme end, (which is highly taxing and requires a lot of skill and stamina), to Racer Cruiser to Cruiser to Charter class in diminishing levels of demand.
